WE BELIEVE IN TOMORROW'S PERFECTION

Rotation Solutions believes in improving the quality of life for mankind by making tomorrow better.

Practicing consistent improvement enables us to offer world class services to the Oil & Gas industry. Minds at ease result in happier workforces and families, fulfiling our desire to put people first and improve life.

DANE BALLE
Managing Director

PEOPLE FIRST

Rotation Solutions puts people first. Employees, Customers, Contractors and Communities. People are required for a sense of fulfilment. Without people there is no purpose or “WHY?”

THE TURBO SWAN SYMBOLISES A BUSINESS FOUNDED IN WESTERN AUSTRALIA WITH A PASSION FOR TURBO MACHINERY; HONESTY & LOYALTY TO OUR CUSTOMERS; PRODUCTS DELIVERED WITH INTELLIGENCE AND CONFIDENCE

CULTURE

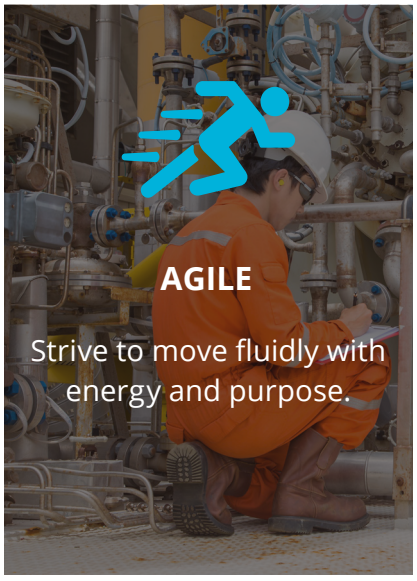

We are known for an enthusiastic new age culture. The team understand the added value positivity has as it flows from our nest to the world. Our people are transparent when interacting

with customers, as well as during interactions with each other. We share both wins and short comings with our team mates together we solve the challenging problems we face instead of attempting to tackle them alone.

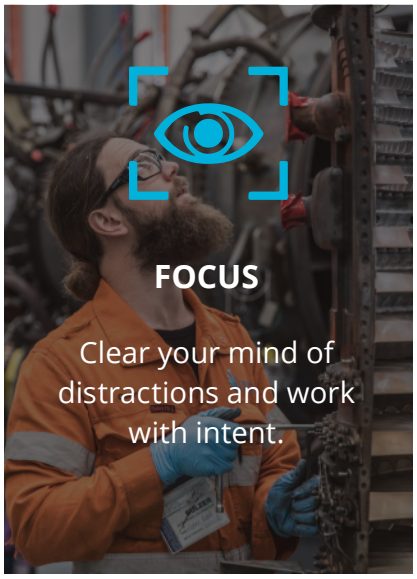

WE COME TO WORK EACH DAY AND EXPRESS AN AXIS ATTITUDE

We conduct business with our Axis Attitude (core values.) This results in a culture that people love to be a part of, and in turn a high performing business.
